PROFILE

Hello! I'm Karim, an aspiring cybersecurity engineer with a passion for technology and problem-solving. I thrive in dynamic and challenging environments where I can apply my technical skills and creativity to develop innovative solutions. My journey in cybersecurity started during my high school years when I became fascinated by the intricacies of computer systems and the importance of protecting sensitive information.

KARIM K

CYBERSECURITY ENGINEER

EDUCATION

Abu Dhabi University
2022 - Present
Took many big boy classes, on course to graduate with a stunning GPA of 4.65

Abu Dhabi School
2008 - 2022
[It's okay to brag about your GPA, awards, and honors. Feel free to summarize your coursework too.]

WORK EXPERIENCE

ADU Cybersecurity Internship
2023–2024
[Describe your responsibilities and achievements in terms of impact and results. Use examples but keep in short.]

Professional Gamer
2020–2021
Lockdown allowed me to work full-time on my hobby, sitting behind a screen all day and playing video games.
